---

Lucky you! Ride the surf at low tide on horseback with your mounted guide, Jan Brubacher at Hampton Beach NH State Park. Entire adventure is approximately four hours of breath-taking fun.

You will start at North Road Farm. You will select & groom your horse and be custom fitted to your choice of equipment. We get the horses ready and drive with horses in the trailer to South Beach, Hampton Beach state park by Seabrook Harbor. Once mounted, we ride to North Beach and back.

If the weather is poor, your ride will be rescheduled at no charge. Satisfaction guaranteed. Contact Jan to schedule your ride.

You must complete and submit online the North Road Farm Ride Release which can be found on the [www.northroadfarm.com](http://www.northroadfarm.com) website.
