VALUE \$

Lucky you and your friend! Ride the surf at low tide on horseback with your guide at South Beach, Hampton NH State Park. Ride October through April based on tide chart. You begin at North Road Farm to select & groom your horse. You are custom fitted to equipment and will tack-up your horse. All loaded in the truck & trailer, we drive to the beach. Once in the saddle you will receive a mini-lesson to safely ride the beach from one end and back. If weather is poor, your ride will be rescheduled at no charge. Satisfaction guaranteed.
